How to Make a Pom Pom

You will need 2 cardboard "C"s. See printable template & instructions for both sizes on page 7. Use color A.

1) Cut 2" or 3" diameter circles out of cardboard. Cut 3/4" or 1/4" diameter circles out of center. Cut notch out of side to form a "C".

2) Line up cut outs & hold together.

3) Working with 2 strands at the same time, press & hold them near cardboard opening.

4) Wrap strands around cut outs, first around yarn ends to secure.

5) Then continue wrapping around cut outs.

6) Wrap till you get to the end of the "C".

7) Wrap a 2nd time in the opposite direction till end.

8) Cut working yarn strands.

9) Insert scissors between cardboard cut outs.

10) Cut all the way around, between cardboard cut outs.

11) Pinch center to keep yarn strands in place.

12) Slide an 18" separate yarn strand between cut outs.

13) Tie strand, knotting it in the middle of pom pom, until tight and secure.

14) Remove cardboard cut outs from pom pom.

15) Trim all around pom pom evenly, forming a circular shape.

16) A finished pom pom! Use strands to tie onto project!
